Written Description of Proposed Purpose/Type of Electrical Work or Improvement

All electrical work must be inspected by the Township's electrical inspector, CodeMaster Inspection Services, Inc at 484-223-0763 who is the Third Party provider for Electrical Plan Reviews and Inspection Services, who must forward inspection reports to the Township of Upper Nazareth. Applicant certifies that all information given is correct and that all electrical work performed will comply with the National Electrical Code.

All Electrical Inspections shall be scheduled by calling CodeMaster at 484-223-0763 at least 48 hours in advance.

Application is hereby made for a permit to install or alter electrical service and/or systems and/or heating systems on the premises described herewith. The information which follows, together with the electrical plan and/or heating plan and/or alarm plan, is made part of this application by the undersigned. It is understood and agreed by this applicant that any misrepresentation of material fact, subsequent to issuance of the permit, without approval of the Inspection Division-Electrical Section shall constitute sufficient grounds for the revocation of this permit, and/or prosecution. *****Permit only valid when approved and signed*****
