

2022 Road Program

Base Repairs and a Mill and Overlay process will be applied to the following roads in the early part of the summer, 2022:

- **Willowdale Ave.** from St. Elmo St. to Highland Terrace.
- **St. Elmo St.** from Willowdale Ave to N. Broad St Ext.
- **Gum St.**
- **Highland Ave** from Rose Inn to Gum St
- **Beil Ave** from Rose Inn to Bridge on Beil Ave
- **Blossom Hill** from Gun Club Rd to start of overlaying going east
- **Newport Ave** from Municipal Building to Tewksbury Ct

The Mill and Overlay is a process in which intersections, driveways, and curbs are milled to 2". Once this is done the entire road is overlaid with a top layer of asphalt. This will create a new wearing surface while maintaining curb and driveway reveals.

Further updates will be on Facebook and on the Upper Nazareth Township website.
