

Northampton County Conservation District

As the warm weather arrives, the Spotted Lanternfly will once again be hatching out to cause havoc in our county.

No need to worry, NCCD is happy to once again offer banding materials to county residents. The cost is free. All you need to do is call or email and request supplies. Once the request is received, a date and time will be provided for pick up at the conservation district office located at:

14 Gracedale Avenue, Nazareth
(Greystone Building).

NOTE: All pickups must be pre-arranged. Walk-ins will NOT be accommodated.

****Identification is required****
